

Enroll in a health plan designed to be different.

For starters, it's based on your relationship with your doctor.

UnitedHealthcare and Centura Health have partnered to bring you Colorado Doctors Plan—where you and each covered family member will select a primary care physician (PCP) in the Centura Health network to guide your care, help you avoid cost surprises and support you in achieving your best health.

This plan unites care and coverage for a better experience, where your doctor and insurance company work closely together to bring you lower costs, 24/7 access to care and an overall experience that's more convenient and personalized. Note: This plan is available to residents living in the Colorado counties of Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas, El Paso and Jefferson.
