

Care that's convenient

For the you with a busy schedule

Visit kp.org or use our app to make a routine same-day or next-day appointment in person, or talk to a clinician 24/7 by phone or video.¹ No matter how you connect, you'll always talk with a medical professional who can see your health history and pick up where you left off.

Do more in one visit

Many of our facilities have pharmacies and labs in the same building, so you can see your doctor, get your tests, and pick up your prescriptions all in one stop.
