

Pediatric Dental & Vision FAQ

Do I need to designate a specific dentist during enrollment?	HMO medical plan members will receive a welcome letter with an assigned DeltaCare USA dentist. Employees can contact Delta Dental at 800-589-4618 to confirm/change provider assignment. PPO medical plan members access pediatric dental benefits with Delta Dental PPO or Premier providers, no dentist needs to be specified during enrollment. Employees can contact Delta Dental at 800-835-2244 for help finding providers.
Will I receive a separate ID card for pediatric dental?	No
Are pediatric dental services subject to the plan's medical deductible?	Diagnostic & Preventive benefits: No Basic Services (fillings, etc.): No Major Services (root canals, etc.): No
Is orthodontia covered?	Yes, but only if medically-necessary.
