Frequently asked questions

Is OptumRx home delivery pharmacy in my plan's network?

Yes, it's part of your plan's pharmacy network.

Once I've enrolled in home delivery, how long will it take to get my medication(s)?

Medications should arrive 2-5 days after the pharmacy receives completed new and refill orders.

Am I able to track my home delivery orders?

Yes. You can track your home delivery orders from your online account.

What is a long-term medication?

Long-term medications are those you take on a regular basis. They may also be called "maintenance medications." These may be taken for high blood pressure, cholesterol and depression.

Can I use home delivery for any medication?

Most drugs are available through home delivery. You can find out which of your prescriptions can be filled through home delivery by going online. Or, you can call customer service using the number on your member ID card.

What is ePrescribe?

It's a way for your provider to send electronic prescriptions to OptumRx. It is much faster than paper and faxing prescriptions. Be sure to ask your doctor to ePrescribe when possible. Prescriptions for controlled substances can only be ordered by ePrescribe. Some exceptions apply.

Can I set up medication reminders?

Yes. Use your online account to set up email, phone or text alerts for when it's time to refill or take your medication.

How does the automatic refill program work?

Go online to enroll eligible medications.

Then, OptumRx home delivery will send your refills when it's time. They will notify you before they ship and they'll use your approved payment method on file. It's that easy.
