

Managing your health. Managing your costs.

Diabetes can be difficult to manage. The number of people with diabetes continues to rise, along with the costs for treating this condition. At Aetna, we have you covered.

Save with the \$0 Preferred Diabetic benefit* \$0 cost share and waives the deductible (if applicable) for preferred insulin and diabetic supplies*.

No cost glucose meter**

Members with Diabetes can order a new blood glucose meter from [Aetna.com](https://www.aetna.com) for \$0.

Regular blood sugar monitoring allows members to make better decisions to proactively manage their condition.

Additional benefits

With your benefit plan you have additional ways to manage your health and savings

- Vision exam – covered in-network at \$0 copay and no deductible.
- Receive discounts on many vision services – lenses, frames, Lasik surgery and more.
